PURPOSE OF THE BILL

The purpose of H.R. 2991 is to establish the Susquehanna National Heritage Area in the State of Pennsylvania.

BACKGROUND AND NEED FOR LEGISLATION

The proposed Susquehanna National Heritage Area encompasses both Lancaster and York counties in South Central Pennsylvania. The area currently holds a State designation as a Pennsylvania Heritage Area.¹

The Susquehanna Heritage Corporation is a local non-profit organization focused on the Susquehanna River and the communities and landscapes along the River in Lancaster and York Counties. It

is part of Heritage PA, a network of State-designated Pennsylvania Heritage Areas. The Corporation advocates for local involvement in the area and since 2001 has helped raise over \$18 million for the current State heritage area through local support, State and federal grants, and private donations.²

Named after the Susquehannock, an Iroquoian tribe that lived along the River, the Susquehanna River is approximately 444 miles long, making it the longest river on the East Coast and the 16th longest river in the United States. The River flows from upstate New York to the Chesapeake Bay passing along both Lancaster and York Counties in Pennsylvania. The Susquehanna is broad and shallow with an average daily flow of 22 billion gallons of water making it ideal for boating and fishing.³

Formed in 1729 after residents petitioned for a new county, Lancaster became the fourth county in Pennsylvania. Located along the Susquehanna River, Lancaster County quickly prospered and served as the State capital from 1799 to 1812.⁴ Today, the County is a tourist destination featuring Pennsylvania Dutch Country museums, outdoor activities, authentic Amish experiences, and a historic downtown.⁵

York County was founded in 1749 after being deeded to Pennsylvania by the American Indians who inhabited the area. Since its founding, many residents of the County played significant roles in the American Revolution and the Civil War. Following the Revolution, York County was primarily an agricultural community and served as a place for continued industrialization as the coal-burning locomotive was perfected in York County.⁶

H.R. 2991, the Susquehanna National Heritage Area Act, would establish the Susquehanna National Heritage Area in Pennsylvania and designate the Susquehanna Heritage Corporation as the local coordinating entity for the area.

COMMITTEE ACTION

H.R. 2991 was introduced on June 21, 2017, by Congressman Lloyd Smucker (R-PA). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Federal Lands. On April 11, 2018, the Subcommittee held a hearing on the legislation. On April 18, 2018, the Natural Resources Committee met to consider the bill. The Subcommittee was discharged by unanimous consent. Congressman Rob Bishop (R-UT) offered an amendment designated #1; it was adopted by unanimous consent. No additional amendments were offered and the bill, as amended, was ordered favorably reported to the House of Representatives by unanimous consent.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII AND CONGRESSIONAL BUDGET ACT

1. Cost of Legislation and the Congressional Budget Act. With respect to the requirements of clause 3(c)(2) and (3) of rule XIII of the Rules of the House of Representatives and sections 308(a) and 402 of the Congressional Budget Act of 1974, the Committee has received the following estimate for the bill from the Director of the Congressional Budget Office:

U.S. CONGRESS,
CONGRESSIONAL BUDGET OFFICE,
Washington, DC, May 11, 2018.

Hon. ROB BISHOP,
Chairman, Committee on Natural Resources,
House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 2991, the Susquehanna National Heritage Area Act.

If you wish further details on this estimate, we will be pleased to provide them. The CBO staff contact is Janani Shankaran.

Sincerely,

KEITH HALL,
Director.

Enclosure.

H.R. 2991—Susquehanna National Heritage Area Act

H.R. 2991 would establish the Susquehanna National Heritage Area (NHA) in Lancaster and York Counties, Pennsylvania. The bill also would designate the Susquehanna Heritage Corporation, a non-profit organization, as the local coordinating entity and would require the corporation to submit a management plan for the Susquehanna NHA. The bill would direct the National Park Service (NPS) to provide assistance to local partners.

The NPS provides technical and financial assistance to NHAs through the Heritage Partnership Program. According to the NPS, under that program the agency typically awards \$150,000 annually to newly established NHAs. Based on the experience of other NHAs, CBO estimates that implementing H.R. 2991 would cost about \$1 million over the 2019–2023 period; such spending would be subject to the availability of appropriated funds.

Enacting H.R. 2991 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

CBO estimates that enacting H.R. 2991 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2029.

H.R. 2991 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act.

The CBO staff contact for this estimate is Janani Shankaran. The estimate was reviewed by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

2. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to establish the Susquehanna National Heritage Area in the State of Pennsylvania.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104—4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

Directed Rule Making. This bill does not contain any directed rule makings.

Duplication of Existing Programs. This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139 or identified in the most recent Catalog of Federal Domestic Assistance published pursuant to the Federal Program Information Act (Public Law 95–220, as amended by Public Law 98–169) as relating to other programs.
